

15 December 2025

Dear Valued Teleradiology Partner,

We want to address recent delays in report turnaround times and thank you for your patience.

Unfortunately, there was a misalignment between the Peregrine management team and the sole owner, Epica International Inc. Epica International Inc has parted ways with the (former) Peregrine management team which temporarily impacted coverage. Our leadership team moved quickly to stabilize operations, and corrective measures are already in place. Coverage has been reinforced, workflows adjusted, and turnaround performance is actively being normalized. Patient care and service reliability remain nonnegotiable.

For the time being, please direct all service-related inquiries to the **Epica International Service Line**:

- **Phone:** (949) 238-6323
- **Email:** service@epicainternational.com

We appreciate your continued partnership and confidence as we move forward with a strengthened operational foundation.

Sincerely,

A handwritten signature in black ink, appearing to read "CG".
